Job Description

To install, repair and maintain overhead and underground electrical power lines and auxiliary equipment. This position is the highest of a multi-step progression from Apprentice Lineman 1 to Journeyman Lineman and is expected to know all aspects of Journeyman Lineman duties for the Company. Lower steps in this classification are expected to progress into all aspects of these duties.

Requirements

Requires journeyman level experience installing and maintaining overhead and underground power lines. Requires valid commercial driver's license (CDL), first aid certification, competency in CPR and pole top rescue. Other combinations of education/experience may be considered.

The South region covers Grangeville, ID, Pullman and Clarkston, WA. This position may close anytime.

To Apply

We encourage you to apply as many of our positions have step progressions to account for an incoming employee's various levels of knowledge, skills, and experience.

Complete an online application and attach your resume and cover letter to your profile. **All documents must be attached to your application at the time of submitting your application for review.** No documents can be attached after you click "Submit".

A supervisor evaluation is not required to apply for this position. At Avista we encourage ongoing discussions about development planning, and it is recommended that employees inform their leader of their application for this position. The Hiring Manager may contact your current manager if you are selected for interviews.

Benefits

At Avista, we believe our employees are essential. Through them we deliver value to our customers and the communities we serve. The physical, mental, and financial health and well-being of our employees and their families are important to us. We are committed to offering a comprehensive total rewards program comprised of an externally competitive, internally equitable compensation structure and a benefits package that allows us to retain and attract a diverse, engaged, and skilled workforce. Our benefits package includes medical, dental, vision, life, and disability coverage,

retirement benefits, incentive plans, wellness resources, time-off programs and much more. In addition to our total rewards program, the Pacific Northwest offers abundant outdoor recreation, four distinct seasons, and all the amenities and activities an individual or family might be interested in.
