Brand Name ("Like" or "Equal" to)

Specific brand of merchandise, supplies, or equipment used in the specifications (if any) in attachment "A" is done to indicate the general characteristics or quality desired, or to match an item already in use. No references are intended to limit or restrict bidding by other vendors. If specific items are not available, please bid on suitable alternates or equivalents but be prepared to submit samples of alternates at no cost to the SIHA. Consideration will be given to bids on other brands quoted as "equal". However, the SIHA will be the sole judge on the question of "equal quality".
